Notes:			Date: 01/31/11
1 Base CRN #s are 0C14202.5/0F14202.5 due to originating in Ontario (TSSA). TSSA submitd to the other Provinces and Territories as indicated in the STATUS column.			
2 British Columbia Category 'C' fittings (regulators) exempt from registration since 2007, hence the 'H' miscellaneous category is used.
