

# Rosemount Extended Product Warranties

*Protect your long-term instrument investment with a three- or five-year extended limited warranty for ultimate peace of mind.*

For the highest level of confidence, choose an extended warranty option for your Rosemount™ measurement instrumentation to protect your investment for years to come.

Available in three- or five-year coverage plans, optional extended limited warranties cover the entire product against defects in materials and workmanship under normal use and care (as described in the Limited Warranty section of [Terms and Conditions of Sale](#)).

## WHY CHOOSE A ROSEMOUNT EXTENDED PRODUCT WARRANTY?

### Protect your investment

Choosing the right instrument for the job isn't always easy. But protecting that investment is. Just ask for an extended product warranty on your next order.

### Ensure peace of mind

Extended product warranties offer peace of mind, letting you focus on what really matters — instead of worrying about the reliability of your instruments.

### Backed by Rosemount quality

Emerson designs, tests, and manufactures Rosemount products to meet the highest quality standards, ensuring you receive reliable solutions for your most critical measurement needs.

Available for a variety of Rosemount product families:

Pressure

Temperature

Level
